

Mental Health Resources and Contacts:

Child and Adolescent Mental Health Services (CAMHS)

Children and young people may need help with a wide range of issues at different points in their lives. Parents and carers may also need help and advice to deal with behavioural or other problems their child is experiencing. Parents, carers and young people can receive direct support through the Child and Adolescent Mental Health Service. For more details go to:

<https://childrenandfamilyhealthdevon.nhs.uk/camhs/>

Kooth

This website provides free mental health support with their online counsellors. For children and young people aged 10-25, It is a free sign up service and includes resources, discussion boards and helpful tips and articles. For more information go to: www.kooth.com

Young Devon Wellbeing Service has a range of options for Young People who are struggling with their mental health and are looking for support.

They offer a number of individual and group options including a Wellbeing Conversation with a therapist, Person Centred Counselling and CBT sessions with a Wellbeing Practitioner.

They also run a Wellbeing Cafe in a number of venues across Devon where Young people can join a group focussed around mental health where they can have a good time, connect with others, show others that someone else cares, listen, talk and be part of something. Currently support is provided online, by telephone and face to face.

The Wellbeing service is a self-referral service and can be accessed by either emailing wellbeingenquiries@youngdevon.org or visiting the Young Devon website.

<https://www.youngdevon.org/what-we-do/wellbeing>

Headlight is a peer support group network that has been set up to support young people age 13-25 living with mental health issues. In addition, 1-2-1 mentoring and support is provided to young people in need. Headlight facilitate two groups currently in East Devon,

based in Axminster and Ottery St Mary, with both running senior and junior groups fortnightly. The service is free and open to young people who feel they could benefit from engagement with Headlight. For more information and referring into Headlight please contact Aaron Clark, the Project Manager on aaron.clark@actioneastdevon.org.uk

Haven at Open Door Exmouth

This Christian based charity offers a range of support, Haven being one of them, Haven is a safe space for young people to meet, a peer support group to learn coping strategies, to be listened to, and to realise that they are not alone. It does not replace professional

services, but hopefully adds to them and helps to support young people while they are waiting to access professional help.

Haven runs two support groups for young people, one for primary aged children and the other for secondary aged young people. Sessions alternate fortnightly. They also run a parent support group on the first Monday night of each month.

For details on dates and times go to: <http://www.opendoorexmouth.org.uk/our-projects/haven/>

Address: Church Street Exmouth, EX8 1PE.

Nip in the Bud

Nip in the Bud® was set up to encourage awareness about mental health disorders in young children.

If left untreated, they could also develop into serious mental and physical health problems. Nip in the Bud's films illustrate the behaviours common in different conditions in children, along with explanations and information on how to follow up and get help. The films are accompanied by downloadable fact sheets explaining the symptoms to look out for, to spot early signs of distress which may require further monitoring.

Find out more at: <https://nipinthebud.org/>

Stem4 is a Charity that promotes positive mental health for teenagers and encourages them to build resilience and manage difficult emotions with online resources.

For more details go to: www.stem4.org.uk

Tor Support

The integrated Brain in Hand system

Brain in Hand is a digital self-management support system for people who need help remembering things, making decisions, planning, or managing anxiety. It's not condition-specific, but is often used by people who are autistic, who have learning difficulties, or who are managing mental health challenges. Combining human support and digital self-management technology, Brain in Hand helps people live more independently.

The system is approved by government departments and in use throughout health, social care and higher education settings across the UK.

For more information go to: <https://braininhand.co.uk/>

Do you have a child aged 9-16 years old who is struggling with their mental health? Anxiety, depression, self-harm and other mental health struggles are on the rise in children, particularly following the Covid-19 Pandemic.

As parents, we can be left feeling overwhelmed and helpless, not knowing where to turn for help.

This group aims to support you to:

- Meet other parents who understand your situation for mutual support.
- Learn tips and tricks to help you support your child, with no judgement!
- Help you to prioritise your own well-being as a parent.

When? 1st Tuesday of the month from 10 am-11.30 am (starting September 6th 2022)

Where? The Courtenay Centre, Kingsteignton Road, Newton Abbot TQ12 2QA

For more information contact: Briony Enright (KingsCare) on **07554 993842** or email
